Dear New Kindergarten Families,

Thank you to those of you who were able to join us for our Early Learning for Families (ELFF) Night at the Davidson Road gym on April 19. We were glad that you and your child had an opportunity to meet some of our staff, receive an early learning package, and mingle with other families. For those of you who were unable to attend, please feel free to reach out to our vice principal, Mrs. Adamson, or myself with any questions.

On Wednesday, June 7 from 4:00-5:00, we will be hosting our New Kindergarten Orientation. The orientation will be an opportunity for your child to become more familiar and comfortable with their new school. For the first part of the orientation, new kindergarten students and their families will participate in a schoolwide scavenger hunt. At each station, they will receive a stamp and information about various aspects of kindergarten and our school culture. The second part of the orientation will see new kindergarten students invited to play in classrooms with teachers, while caregivers receive some information about their child's first year at DRE in the gym. When you arrive at the school, please enter through the main doors where you will be welcomed and given an itinerary.

If you haven't had a chance, we encourage you to read our [Welcome to Kindergarten newsletter](#).

We look forward to seeing you at our June 7 New Kindergarten Orientation, In the meantime, if you have any questions, please don't hesitate to reach out to myself or Mrs. Adamson.

All the best,

Rob Aviani
